

Virginia Household Water Quality Program Save The Date

Goochland County Drinking WaterClinic

Do you have a well or spring, and wonder if your water is safe to drink?

The Virginia Household Water Quality program offers affordable water testing and education to improve the water quality and health of Virginians who rely on private wells and springs.

How much does it cost? \$70 per sample kit.

Testing includes:

lead, copper, arsenic, iron, manganese, pH, hardness, sodium, sulfate, fluoride, nitrate, total dissolved solids, 16 other metals and elements, coliform bacteria, and E. coli bacteria.
